

## Self-hauling to the landfill just got faster, easier, and less costly.

If you're self-hauling debris to the Prima Deshecha landfill, we know a shortcut: the Material Recovery Facility operated by CR&R Recycling. It's on the way, you'll pay less, and instead of clogging the environment, you'll ensure that just about everything is recycled, including:

- Home and business clean-up waste
- Construction and demolition debris
- All landscape material
- Roofing materials
- Tile and carpet
- Appliances and electronics
- Wood and pallets
- Concrete and asphalt
- Patio and home furniture
- Dirt
- Almost everything else!

**Hazardous or liquid wastes are not accepted.**

**Approved by the County of Orange and the State of California.**

This is an approved recycling center, your certified weight ticket is proof of recycling.

Cash and credit cards accepted.

## Prima Deshecha Material Recovery Facility (MRF)

*CR&R is working to help OC Waste & Recycling recover, recycle, or reuse nearly 90 percent of what otherwise would end up in the landfill.*

*By operating the Material Recycling Facility (MRF), we extend landfill longevity, save ratepayers money, and continue our longstanding mission of making our community cleaner, greener, and more sustainable.*
