

PUBLIC NOTICE

Facility Name: Prima Deshecha Materials Recovery Facility (SWIS No. 30-AB-0445)

Address: 32250 Avenida La Pata, San Juan Capistrano, California 92675

Date: 1/19/21 – 1/28/21

Notice: OC Waste & Recycling (OCWR) - owner/operator of the Prima Deshecha Landfill and holder of the Solid Waste Facility Permit for the former Prima Deshecha Materials Recovery Facility (Site) – intends to change the use of the former Prima Deshecha Materials Recovery Facility parcel located within the landfill boundary.

The 5-acre parcel previously occupied by a Materials Recovery Facility (MRF) has been vacated by the operator. OC Waste & Recycling intends to utilize the former MRF parcel for local automobile dealership inventory storage by February 1, 2021. The storage of vehicles is a temporary change expected to be in effect for 18 months. This action requires a change to the Report for Information (RFI) document for the MRF.

On January 6, 2021, OCWR submitted a Solid Waste Facility Permit application for an RFI amendment to the Local Enforcement Agency (LEA) which was received by the LEA. If you have any additional questions or concerns you may contact OCWR or LEA via the information given below.
